

OUR STRATEGIC INTENTS 2016-17

KINGSLAND C.E. ACADEMY

KINGSLAND COMMUNITY

Making sure we respect each other and care for everyone and ensure that we are all happy at Kingsland as we 'Walk in the light with Jesus'. Continue to behave outstandingly. Kingsland Chorus to perform at key events in collaboration with St.Mary's Church and in our community. Mrs. Evans will continue to work alongside our parents to support them in helping us to do our best at Kingsland. We will actively participate in our Student Council and contribute to the St. Bart's Pupil Parliament so that the children in our school can make changes that they feel will benefit all children in our community. A Worship Team will be established and they will lead the whole school worship with the support of Rev. Nigel and Rev. Petherick. We will be supported and encouraged to improve our attendance and our parents will be also be supported to bring us to school every day.

COSTS: £5,000

21ST CENTURY LEARNERS

Continue to make learning fun using digital creativity. Share our successes with our parents on our website and by using Facebook and Twitter. We will work with Mark and Paul to develop our skills in technology. They will also develop the skills of the teaching team as they work with us.

COSTS: £55,000

WRITING

We will learn in a language rich environment and we will use our reading skills to help us to become better writers. We will continue to write for a purpose, making learning 'real' and linked to our creative curriculum.

COSTS: £5,000

READING

We will use our libraries to read for pleasure and help us to continue to improve our reading skills. Every half term we will have a new book to study linked to our learning across the curriculum. We get to keep our book to build our own library at home.

COSTS: £12,000

TEACHING & LEARNING

Helping Teachers to make learning and teaching even better than ever. Show our teachers what outstanding teaching looks like. Make work more challenging for us. Ensuring that teachers have high expectations of us all. The teaching team will have high quality training in supporting our learning to assist our development. Our Early Years outdoor area will be redesigned to better help us in our development.

COSTS: £5,000

HELPING US TO BE FIT

Sports coaches are to coach our teachers in the delivery of the P.E. Curriculum so that our teachers develop their skills. We will then have much better teaching of sports. Sports coaches will also deliver sessions during lunchtimes for Key Stage 2 children so that we have the opportunity to develop our sports skills. Sports coaches will continue to work with us at lunchtimes and engage us in activities to help us to enjoy our recreation times and stay fit.

COSTS: £11,000

HOW CAN WE HELP THE GROWN UPS ACHIEVE THE STRATEGIC INTENTS?

We will need to make sure that the grown ups can have the training to help them. We want to take care of and value the grown ups in our school.

HOW WILL WE KNOW THAT OUR PLAN IS WORKING?

Mrs. Goddard will write a report to our Governors every term to tell them what we are doing. We will ask the children what difference our plan is making to their learning. The children will create a report for the Parents & Governors to view.
